Recognition: Elementary School Track Meet Volunteers

Our district is very fortunate to have many parents, staff, retired staff and community members who donate their time as volunteers so our students can learn, grow and enjoy many activities beyond the classroom.

Tonight, our board is pleased to be honouring a group of volunteers who together, stage what is likely the biggest event in the district when it comes to the planning and logistics involved. Actually, it may well be the biggest regularly-scheduled student event of any district in the province.

Students from every one of our 102 elementary schools participate in the Barry Morley Memorial Track Meet over six full days. This year was the 42nd year of the event.

As anyone could appreciate, the planning, coordination and operation for this event requires many dedicated, hard-working people. Some volunteer their time on top of their “day jobs”, while others are continuing to volunteer long into retirement because they recognize the need and the importance of the event to the students. It is an enormous amount of work.

The Surrey Board of Education recognizes the Barry Morley Memorial Track Meet volunteers for their extraordinary support and commitment to the elementary students of the Surrey School District.
