(ELEMENTARY AND SECONDARY) – 2019/2020**

The schools listed below are designated as closed to out-of-catchment registration for the 2019/2020 school year. These schools are closed to out-of-catchment registrations (other than siblings) as of Dec. 10, 2018, and no out-of-catchment waitlist will be maintained.

The schools have been designated due to existing and/or projected enrolment exceeding the building capacity to the extent that out-of-catchment requests cannot be accommodated. Schools that are closed to out-of-catchment registration are reviewed on an annual basis, prior to the opening of registration
