EXPLORATIONS IN AVIATION CAREERS PROGRAM

A Partnership between

**British Columbia Institute
of Technology**

And

Career Education Department

Are you interested in exploring a career in the aviation industry?

INDUSTRY DESCRIPTION

Canada's rapidly expanding aviation and aerospace industries offer a wide range of career options and opportunities including jobs in aircraft design, systems engineering, testing, search and rescue, human factors, piloting, air traffic control, jet mechanics, computer systems, airport management, customer service, and much more.

EXPLORATIONS IN AVIATION CAREERS

Program participants are offered opportunities to explore a range of aviation industry careers. Students complete three months of study at North Surrey Secondary, one month at BCIT's Aerospace Technology Campus, and a three week work experience placement with an aviation industry company.
