

## Summer Learning 2022 –Administrator Opportunities

Strong school leadership is essential to the success of our schools, and ultimately our students. As a school principal or vice principal you are already aware that school leaders make a direct impact on school culture, positively influence instructional quality and improve outcomes and long-term success rates for students. If you are interested in this important work over the summer months, we welcome your application.

### The Position

- Collaborates with the Summer Learning Leadership team to develop and implement engaging summer programs
- Works to support and nurture a healthy and supportive school culture
- Is responsible for the academic and administrative organization of their summer site(s)
- Encourages a school-wide focus on the priority practices of curriculum design, quality assessment, instructional strategies and social emotional learning.
- Maintains an intentional focus on student success and learner engagement.
- Is responsible for the overall safety and security of their summer learning site(s)
- Works closely and is available to meet with the Summer Learning team to facilitate the smooth implementation of Summer Learning programs
- Is responsible for the hiring of teaching staff in collaboration with the Summer Learning Leadership team

### Elementary Principals

- Please indicate: Session 1 – July 4 to 15                      or                      Session 2 – July 18 to 29
- Several positions are available, locations to be determined
- Positions, programs, and delivery models may be subject should Public Health Order guidelines change

### Secondary Principals & Vice Principals

- July 4 – August 6
- Several positions are available, locations to be determined
- Positions, programs, and delivery models may be subject to change should Public Health Order guidelines change
