Skills Exploration 10

July 4 – 27, 2018
8:30 am – 2:30 pm

Location

- ♦ Princess Margaret Secondary
12870 72 Avenue

Skills Exploration 10 will give students entering grade 10 the opportunity to experience a hands-on introduction to the construction trades of carpentry, electrical, plumbing and welding. Students will learn essential skills such as how to measure, cut, wire, build and weld; skills and attitudes needed for success in school and the workplace; benefits of Apprenticeship and Surrey District Partnership Programs, and career-related opportunities.

As this is a full day program and very labour intensive, students must be able to work independently on a job-site environment with minimum one-on-one instruction.
