

## **REGULATION #4900.3**

### **SITE LOCAL FUNDS: GOODS & SERVICES TAX CONSIDERATIONS**

---

#### **1. PURPOSE OF REGULATION**

- 1.1. Goods & Services Tax (GST) aspects of the administration of site local funds are addressed in this regulation, in particular when and how to:
  - a) Collect and remit GST.
  - b) Claim Input Tax Credits and Rebates at the appropriate rate.
  - c) Change GST status.
  - d) Facilitate administrative processes.
- 1.2. GST aspects of district revenues collected at sites are addressed in [Regulation #4900.2 – District Revenues Collected at Sites: Goods & Services Tax Considerations](#).

#### **2. ROLES AND RESPONSIBILITIES**

- 2.1. The responsibilities of site management officers differ based on whether the site is a registered or non-registered branch for GST purposes.
- 2.2. **Registered branches** (sites with annual taxable sales exceeding \$50,000) are responsible to charge and remit, on time, GST, where it is applicable; and to ensure that Input Tax Credits or Rebates at the appropriate rates are realized. Failure to charge and remit GST could result in Canada Revenue Agency charging penalties and interest against the site.
- 2.3. Sites which are registered branches are to forward to the Fiscal Management Services Department by the 10<sup>th</sup> day following the monthly reporting period:
  - a) A completed memorandum of “GST Monthly Remittance/Rebate Information for Registered Branches” or, for schools utilizing the school’s accounting software.
  - b) A summary of the month’s GST transactions.
  - c) A cheque payable to School District No. 36 (Surrey) for any GST payable.

## **REGULATION #4900.3**

### **SITE LOCAL FUNDS: GOODS & SERVICES TAX CONSIDERATIONS**

---

- 2.4. Designated non-registered branches (sites with annual taxable sales less than \$50,000 – Small Suppliers) are eligible for GST Rebates only. They are to forward to the Fiscal Management Services Department.
- a) A completed memorandum of “GST Monthly Rebate Information for Non-Registered Branches” or, for schools utilizing school’s accounting software.
  - b) A summary of the month’s GST transactions.
- 2.5. The Fiscal Management Services Department attends to the filing and follow-up of all Goods & Service Tax Returns and Rebate Applications on behalf of the school district.

### **3. GST REGISTRATION STATUS**

- 3.1. Sites will have a GST status as being either:
- a) Required to be a **REGISTERED BRANCH**; or
  - b) Designated as a **SMALL SUPPLIER**, which we also refer to as a **NON-REGISTERED BRANCH**.
- 3.2. The GST status of a site is determined based on a **THRESHOLD** amount as established by Canada Revenue Agency. This determination of threshold amount will determine the statutory reporting requirements as governed by the Excise Tax Act.
- 3.3. If the threshold amount has not been exceeded, then the site is considered to be a **SMALL SUPPLIER** for that calendar quarter and the ensuing month. [ETA 148 (1)]
- 3.4. Where a site is a small supplier/non-registered branch there is:
- a) No obligation to collect GST on taxable supplies made.
  - b) No right to claim Input Tax Credits.
  - c) Rebates of 68% of GST paid on regular items, or 100% of GST on printed books, not subject to resale, may be claimed.
- 3.5. Sites which qualify for the small supplier exemption are to, on a calendar quarterly basis, verify that they are still eligible for the exemption.

## REGULATION #4900.3

### SITE LOCAL FUNDS: GOODS & SERVICES TAX CONSIDERATIONS

- 3.6. **When a site ceases to qualify as a small supplier** (by exceeding the \$50,000 threshold), the site will have to start collecting GST on all taxable supplies.
- 3.7. The liability of collecting/remitting GST on taxable sales commences on the first day of the second month subsequent to the end of the calendar quarter in which the site ceases to be a small supplier. Failure to collect and remit GST can result in penalties and interest which must be paid from site local funds.
- 3.8. Where GST is charged, the site is eligible to claim an **Input Tax Credit** (100% GST recovery) on the related purchases.
