

POLICY #5401
USE OF BOARD-OWNED BUSES

Surrey Board of Education-owned buses are primarily for the use of transporting School District No. #36 (Surrey) pupils to and from school and school related functions. Only drivers who are approved by management may operate board-owned buses.

Notwithstanding the stated prime purpose, when school buses are not required for transporting Surrey pupils, they may be made available, at the discretion of the secretary-treasurer, for other occasional School District No. #36 (Surrey) purposes, or for transporting groups of school age children who are involved in activities sponsored by other public bodies, such as other school boards or parks and recreation commissions. Such use shall be conditional upon the recovery of all costs.
