

POLICY #5680
PROVISION OF TELECOMMUNICATION SERVICES

The secretary-treasurer will ensure schools and district offices will be provided with appropriate levels of telecommunication services to meet the needs of the educational and business activities within the facility.

Administration will conduct periodic reviews of service levels and make appropriate changes to meet the needs of the users.

Administration will concomitantly ensure that telecommunication services are provided and allocated within the budgetary approvals.

Revised: 2002-05-30

Approved: 1999-10-21
