EAST KENSINGTON OUTDOOR LEARNING K-5

Join a growing worldwide movement of learning in nature at East Kensington's Outdoor Learning (EKOLogy). EKOLogy is Surrey's only outdoor learning program. Students engage in outdoor experiences that integrate BC's curriculum with children's innate curiosity through emergent, inquiry-based, and place-based learning. Outdoor experiences embrace First People's principles of learning and connects children to the unique natural space on which our school sits.

Students work together as a team of learners, both inside and outside the classroom, to develop social and emotional skills and foster positive relationships.

INTER-A 8-12

The Inter-A program is a leadership and service focused high school environment. While students in the program attend classes in math, science, and humanities, they also engage in cooperative activities, project-based learning, and field experiences. The program emphasizes personal responsibility, public speaking and volunteering. Students in the program range from grades 8 to 12. Students often elect to join the Inter-A program because they value the leadership activities, enjoy working within a diverse group of students, and appreciate the smaller, "family" environment of the Inter-A program within the larger high school.
