

Hello Parent Volunteers,

Thank you so much for volunteering for Rugged Canadian this Wednesday. The events will run rain or shine, so please be prepared for all Canadian weather conditions. We suggest dressing in layers. If you have some rugged Canadian gear, please dress up your outfit with it. Remember the theme is all Canadian.

The students have now been placed in groups, the teachers have designed their stations, and have come up with an outfit for their teams. We plan to have 25 stations and 25 teams for the event.

Your role will be to primarily supervise at the various obstacles. However, if we have extra volunteers on the day of the event we may place you with a team leader or ask you to help in some other capacity. The volunteer meeting will be held at 10:30, just after recess in the gym. We will give you your assignment at that time. After the meeting we ask that you help out setting up your station and helping others that may have more complicated stations. If you leave the school after station set up is completed, please return by 12:00 noon. At the end of Rugged Canadian, we ask that you help return any school equipment to the gym.

Please reply by email if you are able to loan any of the following equipment for our event:

- Garden hose
- Wagon (similar to one you would use at the beach to carry equipment)
- Inflatable child pools

Thank you so much for volunteering your time, it is much appreciated!

Ms. J. Kennett
Adams Road, Principal
