

Dear CTS Families,

Thank you for your patience as we organized into classes! Our staff made every effort to find the best fit for your child. Your child's teacher will be communicating to let you know classroom routines, line-up location and other important information.

WESTCOAST WEATHER

We do send children outside if it is drizzling, or raining lightly, as fresh air and exercise promote better learning! Please send your child to school with boots and a rain jacket or umbrella.

PLANNERS

Our planner order has been delayed. Planners will arrive in 2-3 weeks. Teachers will let you know how they will be communicating in the meantime.

PAC MEETING - Date correction

Please note our first PAC meeting of the year will take place on ***Tuesday, Sept. 24th*** in the school library. All parents at CTS are automatically members of our Parent Advisory Council. Please join us!

Thank you,
Mrs. Newman
