Dear CTS Families,

I know you may be feeling some uncertainty regarding schooling in September. While none of us can predict the future, the District will be taking advisement from the Ministry of Health and the Ministry of Education regarding schooling in September.

At CTS, we are well prepared for a safe opening, whether fully, or with reduced student numbers. We have had a very successful June for staff and students. Thanks to our amazing teachers and education assistants who worked hard to keep students engaged and learning, whether at home or at school! They have much to be proud of!

We will communicate more once we have further details about our September restart. Thank you once again for your ongoing support and commitment to your child's education.

Have a safe and fun summer!

Sincerely,

Mrs. Newman and the CTS staff
