Dear CTS Families,

RE: HOT LUNCH ORDERS

While we are currently in uncertain times, our hope is that you are all safe and healthy. We as a PAC want you to know that we are in discussions about how to go forward with the April-June hot lunch orders. We are working very closely with the school and District for any updates.

We just wanted you to know that we will NOT be keeping the money you've paid for April-June hot lunches. Please know that we will update you as soon as we have a process in place.

In the meantime, the CTS PAC would like to thank you all for practising social distancing, and self-isolation. In doing so, we are all doing our part, and hopefully play a role in getting our children back to school, back to the routines that we know and love.

If you have any questions, please feel free to ask. We want to let you know that the CTS PAC greatly values our CTS community and we are thinking about the well-being of all of our staff and families.

Thank you on behalf of the PAC,

Bobbi Taylor, PAC Vice President
