

May 22, 2020

Dear CTS Families,

We are happy to share with you that the school will be opening on Monday June 1, as announced last week. Currently, our district's plan is being submitted to the Ministry of Education for approval and we will be sharing that plan with you early next week.

We will be strictly following provincial and district health and safety protocols. For example, students will be required to wash their hands frequently and to distance themselves from others. A day-time custodian will be in attendance to provide ongoing cleaning throughout the day.

The plan will include which days children will come to school as we are not yet returning to full time face-to-face instruction. As we get back to school, families can expect a mix of in-class and online learning. Our teachers and support staff are committed to your children's success and will continue to support them until the end of June.

Every attempt will be made to ensure children from the same families are attending on the same days. We will share specific instructions, such as where children will go in the mornings and at dismissal time.

As always, thank you so much for all you are doing to support the learning at home, and for keeping ongoing communication with your teachers. We look forward to seeing students' happy faces very soon.

Please feel free to contact the school should you have any questions.

Enjoy your weekend!

With thanks,

Mrs. Newman
