

March 27, 2020

Dear CTS students and families,

As I am sure you know, the Province has closed K-12 schools for face-to-face instruction until further notice.

The decision was made in an effort to keep us all safe and prevent the spread of the coronavirus. While we are saddened by this news, the health and well-being of students, staff and families remains our top priority.

Please do not send your child to school at this time.

Our teachers are following advice from the District and working in teams to plan online lessons and activities for their students. As this is a new way to teach and learn, our staff will need time to prepare. While there is no substitute for in-school learning, the lessons and activities will help students progress to their end of year goals. You can expect to hear from your child's teacher by the end of the week with some updates.

I will be updating you regularly with more information. Please reach out and call the school or email me if you have any questions or concerns. I can be reached at newman_a@surreyschools.ca

Even though we are not in the building with students at this time, please know they are very much in our hearts and minds.

Thank you for your patience and understanding as we prepare for learning together in these uncertain times.

Sincerely,

Mrs. Newman
