

November 28, 2019

Dear Parents/Guardians,

This letter is to inform you that our school initiated its School Safety Alert system this morning as a practice drill. The teachers explained the expectations to students ahead of time.

I'm pleased to say that students and staff responded very well. The hallways were silent! Lockdown drill is one of several drills our school does throughout the year. The purpose of the drill is to practice procedures to keep everyone safe in the event of an intruder in the building.

Thank you,

Mrs. Newman  
Principal  
Cloverdale Traditional School
