

April 15, 2020

Hi CTS Families,

After careful consideration and a conversation amongst parents, we have come to a decision as to how to manage the hot lunch orders and money already paid.

Unfortunately, we are in unprecedented times. We are giving four options to you as to what to do with your paid hot lunch money, as the children are not in school to receive these lunches. We wanted to provide choices as there are many different family dynamics at this time.

If choosing to request a cheque, please keep in mind that we need two signers, and with social distancing this could take some time. We also know for grade seven parents, if they choose a refund, this will take us some time.

If you are a returning parent and your choice is to have a cheque written, we will have to deduct the service fees associated with the Stripe program used for the financials, as we don't get any reprieve from this fee/cost. (The fee is \$0.30 a transaction plus 2.9%). Please fill out all sections and read carefully the choices that are offered.

We are offering four choices:

- 1. Carry over your balance as a credit for next year**
- 2. Donate your balance and as a group CTS PAC will donate the funds to the Cloverdale Food Bank who has 3:1 buying power**
- 3. Cheque written less the \$0.30+2.9%**
- 4. Cheque written in full as you're a grade seven parent**

We're hoping that all families will have had an opportunity to answer by May so that we may get things organized.

Please follow the link below to make your choice. If you have any questions, please feel free to reach out. bobdoble@hotmail.com
