Dear CTS Families,

As you may have heard on the news today, Premier Horgan announced that BC schools will open on June 1st for smaller groups of students. Students in grades K-5 will have the opportunity to attend 2-3 days/week, while students in grades 6-8 will have the opportunity to attend 1 day/week.

Returning to school on June 1st is optional and voluntary for parents. Your children will not fall behind or be penalized if you chose to keep them home. Online learning will continue for all students, as no children will be attending full time.

To prepare our schools for opening, there is much to do! I understand you will have many questions, and concerns. Please watch Dr. Jordan Tinney's video if you have not done so:

We continue to work very hard to ensure our schools are safe, clean and specially designed for students and staff to return. There will be more information to follow. On May 22nd, we will share our plans with you. Once you have more information, it may be easier for you to make an informed choice about sending your child to school.

We are very much looking forward to seeing our students and families once again! Thank you for your patience as we move to this next phase of learning.

Enjoy the long weekend. Stay safe and have fun!

Mrs. Newman
