

School Inquiry Plan

Did you know that every Surrey school is required to have a School Plan focused on who our learners are, how best to support them and setting goals for student success?

This is an ongoing process. Our staff work throughout the year to revise and refine our plan.

To see our CTS School Inquiry Plan....

- ✓ go to the school website
- ✓ under **News and Other**
- ✓ scroll down until you see **Our School Plan**
- ✓ Under “You can view our School Plan here”
- ✓ Click on **Cloverdale Traditional**

I hope you enjoy reading the plan and looking more closely at the goals we have embedded into our daily work at CTS through this collaborative planning process.

Thank you,

Mrs. Newman
