

August 28, 2019

Dear CTS families,

Welcome to the 2019-2020 school year! A few important reminders as we begin the year:

**Day One Schedule - Sept 3**

- School will take place from **10:00-11:00 am**. While it is only one hour, we encourage all students to attend, as this is an important opportunity to count students and see if there are spaces unfilled.
- **Supervision will begin at 9:45**. Please do not leave children unattended before that time.
- The PAC will be outside prior to 10:00 am with coffee. They are actively looking for your support. Stop by and say hello!

**Full day classes begin on Sept. 4 for Grades 1-7**

- Students will need a recess snack and a lunch on Sept 4-6. The teachers will let them know which supplies to bring. Please do not send ALL school supplies this week.

**Where to Line up?**

**During the first week of school, students will line up in the follow areas:**

- Kindergarten in the gym
- Grades 1-3 in the covered area by the gym
- Grades 4-7 in the covered area at the back of the school
- Intensive Literacy Program in the Intermediate covered area (closest to the building)

***Look for the large grade level signs posted on the building to find your place!***

**What is Your Hope for the School Year?**

- You will see a large whiteboard and markers outside on the first day. This is for students who wish to write a hope they have for the school year. No names, please! There will be chart papers inside the school by the office for staff, students (in case we need more room) as well as parents to write their hope for the school year. Please share your thoughts with us and encourage your child to do so as well!

The staff and I are looking forward to another wonderful year of learning together!

Mrs. Newman
