

## **USED CTS UNIFORM DONATION**

Dear CTS Parents,

It seems so hard to believe, but we are heading towards the finish line of another school year.

During these unprecedented times, we want to offer families the opportunity to donate any gently used uniforms for the uniform swap being held in September. Please ensure the uniforms are in good, clean, condition.

Drop offs for clothing can be done during your school supply pick up times schedule for this upcoming Friday, Tuesday and/or Wednesday. Please place your children's uniforms in a plastic bag tied up and inform the teacher/EA of the donation. They will be placed in the bins designated for the drop off.

During this uncertain time, we want to still offer this annual event that allows the gently used uniforms that our children have quickly outgrown to be shared within our school community. Thank you!
