

April 2020

Hello Coast Meridian Community!

We would like to invite you and your family to get outside to enjoy the beautiful Spring weather with a special Staff Scavenger Hunt! Throughout Coast Meridian's catchment area you will find special signs created by staff members. Signs are located within the boundaries of 168A Street and 172nd Street and 80th Avenue to 88th Avenue (see Map below)

Please take the attached checklist when you go on your family walks and see how many you can find! There are special hints to help you along the way as you look around the neighbourhood for these signs.

We ask that you enjoy this Community Project keeping all of our health and safety rules in mind. Please remember to...

- Look with your eyes only as we are continuing to practice social distancing and are minimizing the touching of public surfaces.
- Remember, if there are other families gathered around a sign when you find it, please stay at least two metres back until they are finished before looking closer at the sign.

Please make sure to leave the signs where you find them so other families can find them too.

Please encourage your child(ren) share their excitement with their teachers! This can be in the form of an email, a picture standing beside a sign, a post on FreshGrade...be creative and have fun!

We miss you all and send our well wishes for health and happiness,

The Coast Meridian Staff

All signs are located on either Mailboxes or Electrical Boxes within 68A Street and 172nd Street and 80th Avenue to 88th Avenue (see Map below)
