

Next Week at a Glance...

The Movember foundation is a charity that raises awareness for men's health on a global scale. With a focus on men's cancer below the waist (prostate cancer and testicular cancer), and mental health and suicide prevention, the foundation has been changing and saving lives since 2003. The name 'Movember' came from the word 'moustache' and 'November'. This means, men from all over the world will not shave their moustache for the month of November to raise awareness.

Inspired by the Movember Foundation, Division 9 will be taking donations and selling moustaches for \$1.00 on Tuesday, November 29th, 2016. All money raised will go to the Movember Foundation.
