Do you have a growing pile of used children's clothing hiding in your closets or drawers? Our sister school is in great need of pants, socks, jackets and shoes (size 4-10) and would greatly appreciate any items that you can spare. Please consider sending your used clothes to school and we will deliver them to students in need asap.

This year we have organized a new method of collecting **Christmas presents** for our sister school and would like to encourage our families to purchase an additional toy (or two) while they shopping for their own children. If you would like to participate in our **toy drive** please send all **unwrapped** gifts to school by **Wednesday, December 12th**.

Finally, if you are able to contribute a **gift card for \$25.00** to either Wal-Mart or Super Store this would be greatly appreciated. Gift cards are **GOLDEN** to our North Surrey Families.

Thank you for your support in making this holiday season a special one for our Surrey families.
