# SUMMER BREAK

## Dear Crescent Park Families

And in the blink of an eye...this amazing school year is over! You know what they say...time flies when you're having fun! What a wonderful year of events, experiences and learning opportunities we have enjoyed together and we are so thankful to have shared these with you! I wish to extend a huge thank you to all Crescent Park families for your endless support throughout the year. It truly takes a village and we are so thankful to be a part of this village with you! On behalf of the staff at Crescent Park, we wish you all a safe and relaxing summer holiday and look forward to seeing you in September!

### Before and After School Daycare

Fayzeh Mehrvani from Mannpark Montessori Group has been selected to run the Before and After School Care at Crescent Park Elementary for 2019-2020 school year. Fay has been working in preschool and Before & After school care settings for the last twenty years and is looking forward to working with Crescent Park Families. Currently, Fay is working with Fraser Health to obtain her licence for the Crescent Park facility and appreciates your inquiries about the program. You are welcome to contact her at 604-355-4654 for further information or to put your child's name on the list for next year. Fay will connect with you as soon as her licencing has been approved. Thank you!

### Are you moving?

As we begin our preparations for the next school year, we are looking carefully at the number of students we anticipate in September. Please notify the school office at 604-535-9101 if you are moving away from the Crescent Park area and will be changing schools as a result of this move. This information is critical for our planning for next year.

### Extended vacation

While we recognize that extended vacations provide our students with many learning opportunities and cultural experiences, we ask that you please notify the office if you will be absent for an extended period of time in June or if you will be away when school resumes in September. A reminder that school begins on Tuesday, September 3<sup>rd</sup>, 2019.

June 2019

Hello Dog Owner!

We know school playfields are a perfect, nearby place for neighbourhood dog owners to provide their cherished pet some much-needed exercise and fresh air.

And when the school is closed and nobody is using the field, it seems a harmless and time-saving way to get the dog out for a run.

However, increasingly our students are coming into the school office during recess or lunch breaks, or in the midst of afterschool sports games to clean up after stepping or falling in dog feces.

Beyond the potential health risks, as you might imagine, young children particularly, get very upset and emotional when this occurs. Students also seldom have clean clothes they can change into.

While we know there are many more responsible dog owners than there are those that don't clean-up after their dogs, unfortunately, with the increasing frequency of dog feces-related issues facing our students, the school district is forced to step up enforcement of its bylaws prohibiting dogs from school property at all times.

In addition, many school neighbours—who likely have children attending the school—have been sending photos of violators to the school district asking that we enforce our bylaws, which allow for fines of up to \$500.

While you may be a considerate and conscientious dog owner, we have no practical way of singling out those who leave their dog droppings behind.

So at least initially, we are promoting awareness of the real hazards to our students and ask for the cooperation of all dog owners to avoid taking their pets onto school property. However, if this approach isn't successful in reducing messy, embarrassing and potentially hazardous incidents for our students, the district will enforce its bylaws.

Thanks for your consideration and cooperation!
