Dear Parents/Guardians:

RE: Early Dismissal – Wednesday January 16th @ 1:30 pm

On Wednesday, January 16th, your child's teacher will be holding Parent/Teacher Interviews or Student Led Conferences for the purpose of goal setting.

We are once again using the Online Booking System. This system allows parents to schedule appointment times that work best for you.

<http://cres.schoolappointments.com>

You can schedule an appointment for any child in your family by clicking on the "Appointments" button beside the student's name. You are then taken to a page where you can select the teacher(s) with whom you wish to meet.

If you have not yet registered your child – please see the reverse of this document for instructions on registering.

Should you have any questions please contact your child's teacher or the office for further clarification.

Thank you,

Mrs. K. Colter
Principal
