

CRESCENT PARK PAC

Supporting our School

The Crescent Park Parent Advisory Council!

(CPPAC or PAC)

Who is the PAC?

YOU ARE! Every parent/caregiver is a member of the PAC

What does the PAC do?

PAC is the VOICE OF THE PARENTS! PAC allows YOU to choose how money is spent on your child's learning experience at Crescent Park

Being a part of the PAC is being a part of an amazing community that has the shared goal of strengthening the role of families at the school

PAC enhances overall student life by supplementing additional programs and experiences as well as by giving direct funds to the school and teachers

What specific initiatives does the PAC support?

Without PAC efforts, so many of the programs and initiatives that enhance the Crescent Park experience would **not exist**. PAC funds support a variety of initiatives including:

Hot Lunch

Santa Breakfast

Spring Fling

Fun Fair

Movie Nights

Information Sessions for Parents

Christmas Hampers and Food Drive

Emergency Preparedness

Grade 7 Year End Celebration

Welcome to Kindergarten

Student Field Studies

Physical Education Equipment

New Technology in Classrooms

School-Wide PE and Fitness Programs

Student Education Programs

Fine Arts Performances

Alumni High School Graduation Scholarships

AND Teachers' Wishlist - this includes so many of the amazing learning tools and equipment that support our kids in the classroom!

Why take on a more active role as a PAC member?

It is an amazing opportunity to feel part of a greater sense of community

It gives you to the chance to have a say and be involved in what goes on at your child's school

It allows you the chance to form friendships you may not otherwise discover

Whether you have a couple of hours a week or a couple of hours a year to contribute, there is always a way to get involved that will suit your schedule and skillset

BECAUSE YOUR VOICE AS A PARENT MATTERS!

Take a moment to think about all of the ways PAC initiatives contribute to your child's experience at Crescent Park...and what it might look like if PAC could no longer support those initiatives...we have reached the point where that may be our reality for the 2020/2021 school year.

Stay tuned for more info on how YOU can help keep the PAC alive!
