10:30 - 11:00am last name G-K  
11:00 - 11:30am last name L-R  
11:30 – 12:00pm last name S  
12:00 – 12:30pm last name T-Z \* final time open to all families

Where: Crescent Park Elementary – top gravel field (enter from 24<sup>th</sup> Ave)

In typical times, our End of Year Grade 7 celebration would take place in the school with our students, family members and staff all sharing this special day together. Due to the current COVID-19 situation, however, we have to create new memories and so we have planned an exciting event to celebrate this great group of grade 7 students!

This year, we have adapted our Year End Celebration into an outdoor, social-distancing drive-thru. We wanted to make this event as special as possible for our students so our teachers have prepared the usual memories and have also created a few extra special treats too! Even in these challenging times we want our grade 7 students to know that they are much-loved members of our Crescent Park School community!

Please join us on our upper gravel field at your designated time and follow the coned route and clearly labeled signs to your child's teacher. Wind down the car windows, join in the celebrations, share your farewell greetings and ensure your child receives their selection of items prepared just for them.

We look forward to seeing you all!

Warmest regards,

Mrs. Kate Colter, Mme Chantal Goguen, Mr. Scott McIndoe, Ms. Lana Fransen,  
Mrs. Kiera Wladichuk and Ms. Sweta Choudhary
