## School Supplies for the MACC Class for 2020 - 2021

MACC students will be using the 'binder system' to help with organization and to help prepare for high school. As well, it enables a more flexible learning environment.

### Notes:

- Do **not** send supplies on the first day of school
- As well, supplies may need to be freshened up later in the year
- All materials must be labeled
- Do not send other items as they are difficult to store (ie., personal fun belongings, toys, glitter, etc)
- Please think about how a student will carry belongings. A sturdy backpack is a good idea. All lunch box items need a label as students often lose track of these items.
