WEEKLY UPDATE #11

Dear Crescent Park Families,

Week two of our return to school has seen many new faces return to class and we welcome between 48 and 65 students daily. While the rain has been a constant visitor, we hope the sun will make an appearance soon so our students can continue to enjoy our outdoor learning experiences. A reminder to families, should your child wish to join us over the next few weeks our doors are open and they are always welcome!

Upcoming Dates:

- Wed. June 24th - Grade 7 End-of-Year Drive-thru Celebration, 10:00-12:30pm (on the gravel field)
- Thurs. June 25th - Final day of school, Communication of Student Learning sent home

This week we would like to wish a warm *Happy Birthday* to students celebrating from June 14th – June 20th:

Jakob B.	Liam F.	Jake S.	Roscoe S.	Austin M.
Karina T.	Isla B.	Neal D.	Leah B.	Huw F.

Are you moving?

As we begin our preparations for the next school year, we are looking carefully at the number of students we anticipate in September. Please notify the school office at 604-535-9101 if you are moving away from the Crescent Park area and will be changing schools as a result of this move. This information is an important step in our planning for next year.

Return of Loaned Technology

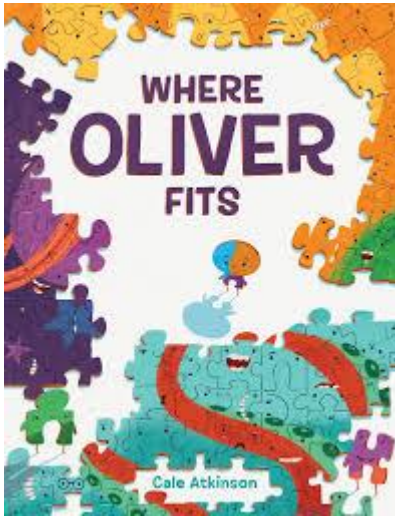

During this time of remote learning we were able to loan technology to many families who required this additional support. At this time, we ask that **all technology be returned to school no later than Thursday, June 18th**. This will help our staff complete a thorough inventory of all school technology before the end of the school year.

Welcome to Kindergarten

Last week, we hosted a Welcome to Kindergarten drive-thru event on our gravel field and our staff enjoyed greeting 24 new students and families to Crescent Park. The rain held off and this set a great tone for the event as smiles and laughter were heard all around! Each future Kindergarten student was presented with a

gift bag of goodies to enjoy and we look forward to seeing our future students wearing their new Crescent Park t-shirts when they begin school in the fall. Welcome to Crescent Park everyone!

LEARNING IN THE LIBRARY WITH MRS. BITTNER

Where Oliver Fits by Cale Atkinson- Oliver is a puzzle piece searching for where he belongs. He tries everything to fit in by changing his shape, his color etc., but in the end he realizes the importance of being himself.

[Listen to the story here](#)

Suggested Activities:

- Fill in each shape of the puzzle with traits that make you who you are ie. honest, kind, hardworking etc. ([click here for template](#))
- Draw/describe the problem and solution in the story ([click here for template](#))

Award Winning Filmmaker Taika Waititi, with the help of famous guests, is reading Roald Dahl's chapter book James and the Giant Peach. It is quite entertaining!
