

## SPONSORING FAMILIES FOR CHRISTMAS

Don Christian PAC is supporting two single parent families through the Options program this year.

We would be grateful for any support you can show by way of purchasing some items on the list or giving cash or gift cards so we can purchase what they need. If more information becomes available on the families and their needs/wants – I will pass that along by email and Facebook.

Options now has a policy about no used items.

We have someone who is going to take care of buying gifts for the moms in the families so we only need to purchase things for the children. Both families left abusive homes and are trying to start over so any help would be greatly appreciated.
