		FRAL 12	12:30 – 03:30	Room 303 Room 313	Ms Hare (Block B) Ms Hare (Block D)

**Note:** Prior to the Winter Break, students were informed if they will be writing the Graduation Numeracy Assessment during the January sitting. Moreover, upon our return from the break, a letter has been sent home with additional details of the assessment.

What is the **Graduation Numeracy Assessment** – Numeracy (FR - French) and Numeracy (EN - English)

This assessment is part of the new Graduation Programme in BC. Beginning this school year, students will have to complete this assessment as part of their graduation requirements. The Graduation Numeracy Assessment is not linked to a specific math course, however its roots are firmly set in the mathematics tradition. This year, all grade 11, and some grade 10, students will be writing the assessment at Earl Marriott Secondary, being equally divided between the January and the June sittings.

*Note:* For the 2017-2018 school year, Grade 12 students will remain on the former graduation pathway; therefore, they are not required to write the numeracy assessment.
