

3rd Annual Great Peninsula Relay Race and Fundraising Competition

Race Date: Thursday, April 19th, 2018 – South Surrey Track

Fundraising End Date: Friday, April 27th, 2018
(to be counted towards your school's total)

Thank you to teachers and students involved in making this fundraising competition a great success for everyone.

Information about how to submit funds raised at the school, as well as information for people wishing to donate directly to ACCES (and still count in your school total) is given below. Happy fundraising!

Fundraising

As an outside agency, ACCES cannot issue a tax receipt for money collected in the classroom. The Canada Revenue Agency requires that all money raised inside schools be delivered to the school office for recording and tracking in the school's accounting system. The school will keep track of the amount of money raised and then at the end of the fundraiser, issue a cheque for the full amount to ACCES. Teachers and students will use this method for all money collected as part of the school fundraising activities.

Online / Cheque Donations at aceskenya.org

Individuals wishing to make a separate donation and receive a tax receipt (minimum \$10) from ACCES can donate online through our website and still support their school's team. Teachers will not use this method to remit any money collected in their classrooms.

ACCES can also issue a tax receipt in special circumstances where the donor pays ACCES directly by cheque. Please ask such donors to call our office or send an email first to make sure it will qualify.

ACCES will keep track of all donations received online and by cheque in support of each school's team and will include those amounts in each school's totals.
