### Principal's Message

On behalf of the entire staff, I am delighted to WELCOME EVERYONE BACK TO SCHOOL. I hope that each of you enjoyed a very happy holiday and are looking forward to a successful, productive school year.

I would like to welcome the Class of "2020". Our new Grade 8 students are always very excited with the move to secondary school, and we want you to know we are excited about having you at Elgin Park. We have a variety of activities planned this year to make this transition to secondary as smooth as possible for you.

A special "welcome back" is reserved for this year's graduating class - The Class of 2016. As the graduating class, you have a special and important role to play in the life of our school. You can, and should, provide leadership and a sense of purpose to the rest of the student body. Make this year a most positive experience - both for yourselves as individuals and for our school. As individuals you have tremendous potential. Study hard, set goals for yourself and have a great senior year. Try to remember that high school is not a place for regrets, not a spot where life slides us by; it is a place where students are not just a part of its vitality; they are its life. Be involved with your classmates - participate in the school's many varied activities and make 2015/2016 an outstanding year.

Let us make the most of it together. Have a grand, spirited and delightful year.

*Bruce Filsinger,  
Principal*

***NO OPEN SHOES WILL BE ALLOWED IN THE SHOP .***

## LOCKERS – CONDITIONS OF USE

### RULES REGARDING STUDENT LOCKERS: CONDITIONS OF USE

**Each locker has a registered school lock that must be used – outside locks are not allowed. It is highly recommended that valuables (wallets, money, cell phones, i-pods) not be left in lockers, gym lockers or left unattended during class time.**

**Lockers are assigned to students for use during the school year on the following conditions:**

1. Students are responsible for the locker which is assigned to them and it is not to be used by any other person.
2. Only registered school locks may be used on student lockers.
3. The locker may only be used for the storage of books, school supplies and equipment, outerwear, school sports equipment and lunches.
4. No other material is permitted except with the written authority of the principal or vice principal.
5. The locker is to be kept clean and food removed on a regular basis.
6. Students are responsible for cleaning and removing all material from their locker at the end of the year or when they leave the school.
7. No illegal substances, weapons or other prohibited or offensive material may be placed in school lockers.
8. School officials and/or designates may search student lockers at any time and without prior notice in order to ensure compliance with the conditions of use and other school policies and rules. Searches by school officials may include the use of dog units to detect the presence of narcotics or other prohibited materials.
9. Permission to use the locker may be terminated when a student does not comply with the conditions of use or school policies or rules.
10. It is the responsibility of all members of the school community to keep our schools safe. If any student has reason to believe that any locker contains anything which would threaten the safety of other students, staff or any other person, that student is expected to immediately report the information to a teacher or administrator. ## P.A.C. (Parent Advisory Council) News

Welcome to a new school year, and welcome to our new families!

At this time we would like to request your support for the Elgin PAC for 2015/16 school year. Funds for extra-curricular events, guest speakers, and band/club/sport organizations at Elgin are provided by the PAC, which has no direct source of funding. The PAC does no other fundraising, so in exchange for your support you will not be asked to volunteer! The recommended contribution is \$10 per student. Please make your cheques payable to Elgin Park PAC and drop them off at the school office with your other academic fees.

The PAC meetings will be held on the third Wednesday of every month (except December, March and June) at 9:00 a.m. in the Elgin Park Library. Everyone is welcome and is encouraged to attend. This year's meeting schedule is as follows:

September 16<sup>th</sup>

October 21<sup>st</sup>

November 18<sup>th</sup>

January 20<sup>th</sup>

February 17<sup>th</sup>

April 20<sup>nd</sup>

May 18<sup>th</sup>

Elections were held for the 2015-16 Executive, and we are delighted to announce that the following parents have stepped up to act as your Executive for 2015-16. A formal motion to adopt their election by acclamation will be held at the first PAC meeting in September.

Suzannah Denholm, Co-Chair  
Sarah Cheney, Co-Chair  
Emily Xiong, Treasurer  
Marianella Martinez, Secretary  
Bob Zezulka, DPAC Representative

Please note that we are looking for an Elgin parent to take on the task of drafting the weekly PAC Bulletin. If you are interested in keeping abreast of upcoming sports and extra-curricular events at Elgin for this weekly email to the parent community, please contact Suzannah Denholm at [lance.suzannah@shaw.ca](mailto:lance.suzannah@shaw.ca).

Thank you for your support, and we look forward to seeing you during the school year.

## **SCHOOL DISTRICT INFORMATION FOR PARENTS**

**PLEASE DETACH AND RETURN THE COMPLETED FORM TO THE MAIN OFFICE**

### **Media Coverage**

From time to time the school receives requests from newspaper and television reporters to visit our school to do a story about some aspect of the school or its programs. Requests of this nature are given careful consideration, and approval may only be granted by the Principal and the Superintendent of Schools. There is a possibility reporters will want to take photographs or film footage to accompany stories. While we attempt to cooperate with the media wherever possible, we recognize there are instances where individuals do not welcome publicity of this nature. Additionally, opportunities arise to advertise, promote and celebrate our many activities and accomplishments at Elgin Park through our school web site. Photographs of events may be taken and published on the school website and we publish the school newsletter online monthly. Included in the school newsletter are the full names of students being recognized for various achievements and participation, including the honour roll.

Therefore, we **must** receive parental consent to allow Elgin students to appear in newspaper photographs; to be televised while involved in school activities; and to appear in photographs or have their name published on the school website. Please indicate your consent on the attached form. ***If you do not consent to your child's image and/or name appearing in the circumstances outlined above, please indicate this on the form as well; your child's name will not be included in any honour roll lists and will not appear in the school newsletter.*** We will work with you and your family to minimize the possibility of media coverage.

### **Parent Advisory Committee – Access to Information**

Every school has a Parent Advisory Committee that represents the parents of the school and engages in educational programs and sometimes fundraising. The school will normally make the parent/guardian's name and grade available to the school's Parent Advisory Committee for contact purposes. If you do not wish your contact information to be released to the Parent Advisory Committee, please indicate your preference on the consent form.

### **Technology Access and Use**

Staff and students using technology resources are expected to do so in a responsible, ethical manner conducive with the school district's policy. Misuse of district technology resources will lead to suspension of user's privileges and may lead to disciplinary action and possible legal action. District Regulation 5780.1 states that: "district technology services shall not be used for illegal, obscene or inappropriate purposes, or in support of such activities." Inappropriate use of technology services includes, but is not limited to:

- Transmission of materials in violation of Canadian law
- Transmission, storage, or duplication of pornographic material
- Transmission or posting of threatening, abusive or obscene material
- Transmission or duplication of material in violation of copyright law
- Participation in pyramid or chain mail
- Harassment of others
- Attempts at unauthorized access to data, servers, or external services
- Attempts to vandalize district or external systems, including malicious attempts to destroy data of another user, via virus or other means
- Use of another user's account or resources
- Use of abusive vulgar, profane, obscene, or other inappropriate language
- Re-posting personal mail without permission of the author
- Sharing of passwords with others
- Distributing or using another person's technology resources
- Revealing another person's personal address, phone number, picture, or other data without personal or parental consent, as appropriate
- Use of district technology for purposes not related to the individual's position in the district.

Please read the above list carefully and review it with your son/daughter. If you do not wish your child to have access to the Internet at school, please indicate your preference on the consent form.

### **Email Notices**
