Poem about Education : The Key To Life by **Stanley Oguh**

Education
the light of our life
A gift of academic rife
Education
the key to a bright and rewarding future
A glue that joins our dreams like a suture
Education
A path to divine success
A smooth drive to our greatness
Education
gives our thinking a different appearance
And helps drive away all our ignorance
Education
It leads us to the path of prosperity
And gives our tomorrow a sounding security
Education
the process of teaching and learning
Which will help us in our future earning
Educatio
shaping our true character is the motto
Leading to a successful life it is the major factor
Education
The progressive discovery of our true self
And exploitation of the potentials of oneself
Education
a better safeguard of liberty than a standing army
A life boat that see us through our days of stormy

Education
A torch of academic brilliance
And backbone of inner resilience
Education

the key to unlock the golden door of freedom
And stage our rise to stardom
Education

A life sustaining material
Without it we can't lead a life which is congenial
Education

not all about bookish knowledge
But it is also about practical knowledge
Education

makes a person stand up on his on toes
And helps a person to fight with all his foes
Education

A fundamental foundation
For any country state or nation
Education

A thick line between right and wrong
A ladder that takes us to the height where we belong
Education

Mother of all profession
That helps acquires all our possession
Education Is our right

For in it our future is bright.

And off we go into the 2018/19 school year!

Thank you for coming to the Meet the Teacher and introducing yourselves to your child's teacher(s). If you stopped by the kitchen and had some food at the PAC Welcome Back, BBQ, thank you! All monies raised by PAC go directly towards great things for our students.

A reminder that students do best when we all work together- student, parents, family, teachers and the school. Please always ask your child what they did at school every day! Please check their planners AND please, never hesitate to put a note in the planner or let the teacher know if you want to see them. Good communication works for everyone!

Wishing your children a wonderful first term at our lovely school!

2018 Erma Stephenson Annual Terry Fox Run

Thank you to all the parents who once again volunteered to help out at the annual Terry Fox Run! We could not do it without you! The weather was the nicest I have seen at 4 years at Erma. It was absolutely splendid!

Thank you for all the donations! Our goal was \$1500 and the last count was \$1645. 12. The goal next year will be \$2000, and I know Erma will do it!

I would like to thank the teachers for their participation on so many levels. Pre-teaching, art, integrated studies, school assembly and having some very honest and open discussions are all essential when it comes to acknowledging Terry Fox and his vision to end cancer once and for all.

A big Thank You to one of our parents, Benny, who helped with the repair and resurrection of our electronic sign. You are amazing!!
