Summer

In the summer when the days are hot,
I like to find a shady spot,
And hardly move a single bit
And sit, and sit, and sit, and sit.

STANLEY CUP PREDICTIONS AND DESIGNERS

Who doesn't like a little Math at Stanley Cup time? It was great fun for Erma hockey fans to take part in a pre-finals prediction. All in all 72 people including Mr. Lewis and Mrs. Sveinson predicted a 4-2 Series win for Chicago.

Our school had the fabulous opportunity to showcase the works of 13 Stanley Cup designers. On display for the entirety of the Chicago-Tampa Series were 8 Stanley Cups, made up of a LOT of tin foil, bowls from home, duct tape and cardboard. The cups ranged in size from teeny tiny to one about 80 cm tall. Congratulations, Nick Lui, Grade 6, Div. 4, for winning the People's Choice Award which was 2 cold and tasty Orange Fanta. Incredible creativity that was enjoyed by many!

COUNTRY FAIR

Amazing! Wonderful! Thank you to all the parents who gave so generously of their time to volunteer at this year's Country Fair. Our school hosted

- A great Talent Show
- A Cake Walk
- LOADS of fun games
- Tons of incredible home-cooked food.

Thank you to Grade 6 students Eva, Cassie, Kiran and Saveena who spearheaded the Great Stuffie Drive! These girls collected, counted, bagged and transported our goal of 400 stuffies which were collected for the Country Fair. Thank you, ladies!

Thank you to Kam Liddar, who took on the huge job of (Erma) Country Fair Coordinator. Well done, Sir!

Thank you to the many parents who contributed in many ways to the success of this fun annual fundraising and community- building event.

SCHOOL SUPPLIES

There are two ways to buy your child's school supplies:

Vacation

In my head I hear a humming:
Summer, summer summer's coming.
Soon we're going on vacation
But there is a complication:
Day by day the problem's growing-
We don't know yet where we're going!

Mother likes the country best;
That's so she can read and rest.
Dad thinks resting is a bore;
He's for fishing at the shore.
Sailing is my brother's pick;
Sailing makes my sister sick;
She says swimming's much more cool,
Swimming in a swimming pool.
As for me, why, I don't care,
I'd be happy anywhere!

In my head I hear a humming:
Summer, summer, summer's coming.
Soon we're going on vacation
But we have a complication:
Day by day the problem's growing-
Where oh where will we be going?

Mary Ann Hoberman
