PRINCIPAL's MESSAGE

I hope the newsletter finds everyone rested and refreshed after the summer break. I also hope that everyone had a good summer, filled with some combination of relaxation, travel, vacation and/or further study. I hope that you, like our students, are getting excited about a new year of learning, and all the opportunities and challenges that this brings. We are very much looking forward to beginning the 2018-2019 school year.

We will open this year with about 1370 students. This is below projection, but we are near capacity and this will give us a little 'breathing' room. Going into the summer, we had roughly seven jobs to fill. We now have most of the necessary teachers in place and are excited about the learning that is about to commence.

For students, as with every year, there are key skills to master and strategies to implement in order to get off to the best start and make sure that you are successful this upcoming school year. The first is to realize that success in school, like success in life, **requires organization, hard work, commitment and persistence**. There are no easy paths. Instead, to maximize your potential and success, you need to focus during instruction, use your class and flex time effectively and you should also do thirty to sixty minutes of homework/home study prior to each school day. Brain research reinforces this perspective and shows that a key factor in long-term deep learning happens through continued low-level stimulation of your brain. Cramming prior to a test can get you through, but if you really want to learn, remember and understand something, then you should consistently and systematically work at it. There are a number of great study tools/ideas out there to help you with all of this.

Two of the study techniques that I think are really useful are **Question and Answer Cards**, and **Cornel Notes**. Q & A cards are simply 'index' style cards that you write questions or terms on one side, then answers/definitions on the other. Then, you keep flipping through these until you know them consistently. Another great study technique is Cornell Notes. This system of notetaking involves taking all the pages in your notebook and drawing a vertical line down each page, about three quarters of the way across. Then do all your notes on the left three quarters of the page and use the remaining space to the right of the line to write down key words or questions. When you go to study, cover the main notes part and answer the key questions, or define the words. Many of you will know and use other techniques that work for you. These are just two that I have found to be very useful.

A copy of your son/daughter's tentative academic timetable is available on the portal. Students have had multiple opportunities to 'fine tune' this schedule. At this time, we are not able to make substantive changes to student timetables. We still anticipate enrolling more students, potentially opening more blocks, and hiring one or more new teachers. This will result in further timetable changes. Our first priority in September is servicing new

registrations and those students who do not have complete schedules, or who have taken a summer school class and need to change a class on their timetable as they have already completed the course. Then we will start balancing classes. Counsellors will be in the last week of August, roughly the 27th through August 31st and students access counsellors by grade and by day. Please see the information on accessing school counsellors further within this newsletter.

As we head into the new school year, we have some enhancements to report. The school district has replaced the school's boilers to provide better and more economical hot water heating. We are reconfiguring our Learning Commons central computer tables to create a more accessible collaborative space. We purchased new student workstations for Room D104 and Room 126. We purchased two more mobile computer labs, which will provide students with greater access to technology. Finally, we are installing a commercial dishwasher to help our culinary program. We continue to use an online tool to assign lockers this year. Instructions on how to do this are included within this newsletter. Grade 8's will find a locker partner through homeroom on Tuesday, then select their locker that day.

We use the **Firehawk App** as our digital school agenda. The app is from Appazur and everyone (students and parents) are able to download it for free on the App Store or the Google Play store. Just search for Firehawk. We continually push messages out through this app, it is district supported, and we hope to scaffold its functionality through the school. We are also providing regular paper school agendas to junior students who request them. Over time, we hope to eliminate these agendas with the App, but we are not there yet. Through the summer teacher placement process, we welcome the following teachers to Fraser Heights, or back to Fraser Heights. The list is as updated as I can get it now, but we expect to have one or two additional changes. Please continue to monitor our blog feed at www.fhlearn.ca

We welcome:

- Ms. Michaela Van Rhyn -Tech Ed, Math
- Mr. Raymond Peralta - Spanish
- Ms. Annette Cau - French
- Mr. Jer Bergner - English, Socials, Career Education, Humanities
- Mr. Dave Hoskin - History, Socials, English, Humanities
- Mr. Joe Franco - English
- Mr. Michael Ho - Science, Mathematics

I encourage all students to make the most of what the school offers by intentionally choosing to get involved in at least one outside of class activity. We have a large number of clubs, a comprehensive athletics program and a student run school governance structure. We also encourage our parents to stay involved and be aware of what is happening at school. We have monthly PAC meetings; they are crisp and keep to an hour-long framework. Our first PAC meeting is Tuesday, September 18th at 7:00 in the school's Learning Commons (library). Our PAC meetings run from 7:00 to 8:00.

Please keep in touch with the school by monitoring our website, surreyschools.ca/fraserheights and through our blog www.flearn.ca.

Once again, we look forward to welcoming all students and families back to, or to Fraser Heights. We wish you all the best in the upcoming school year.

Mr. R. Breen
Principal

FROM THE COUNSELLING DEPARTMENT

Due to the high demand for counselling appointments in August, our counsellors will be working with those students who have serious issues with their timetable before assisting other students. Students with incomplete timetables, seriously unbalanced timetables, or who need a change in order to graduate or meet university requirements, will be assisted in priority sequence.

Students requesting less serious changes may be considered, depending on time and space available, after the first week of classes. Generally, students are expected to take the classes on their timetables and not seek changes unless absolutely necessary. Changes will only be considered for compelling educational reasons.

If your counsellor is Ms. Jassmann (Lee-Rus) or Ms. Sykes (Rut-Z), **do not** come to the school during the last week of August. Instead, please fill out your course request form from home at the following website: tinyurl.com/FHS-CourseChange. All instructions and details are located online through the URL.

If your counsellor is Mr. Payne (A-Eng) or Mr. Gill (Enh-Le), you may come to the Garage area at 8:30 am each morning to book appointments on the following dates:

Monday, August 27 th	Grade 12
Tuesday, August 28 th	Grade 11
Wednesday, August 29 th	Grade 10
Thursday, August 30 th	Grade 9 & 8
Friday, August 31 st	New Registrations

If you have any questions about the Counselling Department, please do not hesitate to email our Counselling Department Heads, Ms. Sykes sykes_r@surreyschools.ca or Ms. Jassmann jassmann_r@surreyschools.ca

Students are assigned a specific counsellor based on their last name. For the 2018 - 2019 school year, the counsellors will be:

Mr. G. Payne:	A - Eng
Mr. D. Gill:	Enh - Le
Ms. R. Jassmann	Lee - Rus
Ms. Sykes:	Rut - Z

STUDENT INFORMATION - MEDICAL ALERTS

Each year, it is important that we have the most up-to-date information regarding your child(ren). If there have been any changes in your child(ren)'s personal information such as a change in address, contact numbers in case of emergency, or any changes in medical information or dietary information, it is extremely important that you inform the school office so we have it at our fingertips in case of an emergency. To update your child's information, parents or students can pick up a Change of Information Form from the office for you to make the appropriate changes. Once the change form has been completed, please return it to the office as soon as possible so that we can ensure that our information about your son/daughter is accurate.

BELL SCHEDULE

This year classes start at 8:20 am.

Bell Schedule 2018-2019	
Warning Bell	8:15
1 st block	8:20 – 9:37
Class change	9:37 – 9:44
2 nd block	9:44 – 11:00
Lunch/10-Minute Flex	11:00 – 12:05
Warning Bell	12:00
3 rd block	12:05 – 1:21
Class change	1:21 – 1:28
4 th block	1:28 – 2:45

ATTENDANCE

Regular attendance is a major factor contributing to student success in school. We expect that students enrolled at Fraser Heights Secondary will attend school regularly and arrive to class on time. If a student is absent, parents are requested to phone or email the school on the morning of the absence. If this is not possible, please send a note with your child to turn into the office on the day they return to school.

BUS PASSES

All students wishing to ride the school bus must apply for a School Bus Pass. This application needs to be completed each year. If your son/daughter has not applied for his/her bus pass, please have them go to the school office to pick up an application form.

NO HAT POLICY

This is a reminder that Fraser Heights has a no hat policy. This includes baseball caps, toques, bandanas, and headbands. This is primarily for safety reasons as it allows our school staff to identify people who shouldn't be in our building much more effectively.

LEAVING SCHOOL EARLY

In some cases, it may be necessary for students to leave school before the end of the school day. Students wishing to leave the school early must come to the office and sign out. In order to sign out, students must have written permission from their parent/guardian. In cases where written permission is not provided, the office staff will contact parents or guardians for verification.

PARKING

There are a very limited number of parking spaces for students on school property. Students wishing to have the privilege of parking their car on school property must register their vehicle at the office. There is no charge for student parking, however, parking spots are available each morning on a first come, first served basis. Please Note: Students must park in marked parking stalls. If our parking lot is full, we are allowed to park in the Surrey Parks & Recreation parking lot along 160th Street.

SCHOOL SUPPLIES

We recommend that students purchase school supplies after they have met with their subject teachers during the first week of school.

SCHOOL FEES

School Cash Online is an online parent portal that offers a safe, fast and convenient way to pay for school activity fees. The portal is customized to meet your school's needs and allows parents to add students, make payments, check current balance/account history and print or view receipts. Please see the attached step-by-step instruction sheet. surreyschools.schoolcashonline.com/

STUDENT PHOTOGRAPHS

Student photographs will be taken on Friday, September 14th, 2018. All students are required to have their picture taken for the Yearbook and School Identification/Go Card. Different photo package options are available for purchase through Artona Photography at artona.com. Packages must be ordered and paid for online before Photo Day (up until midnight on September 13th).

GRADUATION PHOTOGRAPHS

Artona will be in a trailer in the Fraser Heights Recreation Centre parking lot for Graduation Photographs Monday, October 2nd to Sunday, October 8th. Photo sessions will be by appointment only. Detailed information will be provided in September.

PHOTO RE-TAKES

Students who are away or receive photographs of poor quality will be given an opportunity to have their photographs re-taken on Thursday, October 11th, 2018. Packages must be ordered online at artona.com before Photo Day. Please mark these dates on your calendar.

PERSONAL PROPERTY

Fraser Heights Secondary and Surrey School District #36 do not accept responsibility for loss, damage, or theft of any articles including clothing, school supplies, vehicles, equipment, or cash. Our advice is leave valuables at home, or make sure they are locked up at all times. The #1 area where we have problems is the PE locker rooms. Please lock any valuables (wallets, cell phone etc) that you bring with you to the locker room. Locks must be removed each period so we recommend you buy a lock and keep it with your PE strip.

SNOW DAYS

Usually during snow days when snowfall may cause problems with transportation and roads, the Administration may shorten lunch by up to 30 minutes and dismiss students early. We will use our synervoice system to communicate with parents.

SCHOOL CLOSURES

Sometimes extreme weather conditions or other unusual circumstances can cause a school closure on short notice. In the event of a potential school closure during the school year, please monitor the following radio stations:

CKNW (980 AM or www.cknw.com)

News 1130 (1130 AM or www.news1130.com)

CBC Radio (690 AM or www.vancouver.cbc.ca)

Please do not call the radio stations as staff are very busy receiving updates and preparing newscasts. Surrey school closure information may also be broadcasted on the Weather Channel and local TV stations. Whenever possible, the Surrey School District will post such information on its web site at www.surreyschools.ca/fraserheights.

LOCKERS

Students this year will be able to choose their own locker on-line. Please see the attached information sheet on how to access this on-line system. They should also access this website if they forget their locker combination. Students do not need to buy a lock or bring their own lock from home. Lockers will have locks on them. Only school locks may be used on lockers. At the end of the school year, students must turn in their locks to their homeroom teachers or they will be charged a \$7.00 lock replacement fee. School lockers are the property of the school and may be searched by school officials at any time without prior notice. Students do not have to use a school locker. The on-line student locker selection will open up as follows:

Grade 12 – August 27
Grade 11 – August 28
Grade 10 – August 29
Grade 9 – August 30

Grade 8's must share a locker. During homeroom on September 4 & 5, your homeroom teachers will assign you a locker and a locker partner. If you have a partner already please

let the homeroom teacher know who you will be sharing with and only get one locker assigned for both of you. You will each go on-line and select the locker you and your partner will share. fraserheights.lockerassignment.com/

Locker Distribution: this year we are trying an electronic system to allocate our lockers
(<http://fraserheights.lockerassignment.com/>)

- The website will be available daily at **8:00 am** for the following grades starting on the following dates:
 - Monday, August 27th – Grade 12's
 - Tuesday, August 28th – Grade 11's
 - Wednesday, August 29th – Grade 10's
 - Thursday, August 30th – Grade 9'sGrade 8's share and get their lockers assigned through their homeroom class on Tuesday and will not be using the online system.
- Specified dates are START dates (i.e.) grade 11's won't have access until Tuesday, but everyone's access will remain open throughout the school year.
- Go to the locker website (<http://fraserheights.lockerassignment.com/>) and follow **student instructions:** Knowing where their classes are will help in choosing a good central location for your locker, please refer to your timetable.
 1. Go to locker administration web site for the school, <http://fraserheights.lockerassignment.com/>.
 2. Login using your student number as the user id and your birthdate as the password. The format of the password is YYYYMMDD, so if you were born Jan 3, 2001, your password would be 20010103
 3. Select a zone of the school in which you would like to have a locker. Note that as the availability of lockers in a zone decreases, the zone buttons will change from Yellow (many lockers available), to Orange (over 50% of lockers capacity assigned) to Red (no lockers available in zone). There is a map in the office showing where the zones are.
 4. When a zone is selected the available lockers will be listed. A locker entry that is Green is an empty locker, and a locker entry that is Orange has at least one person in the locker already.
 5. Select a locker and if you have a preferred locker partner contact them so that they can immediately login and also select the same locker.
 6. Once you have selected a locker you will be shown the locker combination. If you forget your combination you can login at any time to see your assigned locker and combination. **The office will not be giving out combinations if you forget it and we will refer you back to this website.**
 7. At this time, the school is asking all students to stick with the locker they've assigned themselves. In most cases the top locker is the odd numbered locker. Each locker is matched with a combination lock. Switching lockers will result in students having access to more than one locker combination, and for security reasons, the school would prefer to have all students having access to one combination only.

Please remember that school administration has authorization at anytime to inspect and/or change the assigned locker of any student.
