

## To the Grads and Families of 2020

As we draw closer to the Commencement date, we wanted to send out a schedule with instructions showing which group, what number you are within that group and when your scheduled time will be to cross the stage. The following instructions are meant to mirror the school's priority of maintaining the health and safety of everyone involved while we celebrate together

- Grads and Families arrive and park in the lot parallel to 160<sup>th</sup> street. The North side of the rec center parking lot will be available for parking as well. If at all possible, please try a stick to one car per family.
- Enter the school through the NLC doors. Guests enter through the "Guests" doors and grads enter through the "Grads" doors.
- You will be preassigned a number between 1 and 40, for your specific group. Guests are to make their way down the guest hallway, find their assigned number on the floor and wait. Grads make their way to the Large gym, find their preassigned number on the floor and wait. Numbers are spaced 6 feet apart to maintain physical distancing. The pre-assigned number is based on last name in alpha order
- When grads and guests are in position, the #1 grad and families make their way into the theatre. When instructed to, the grad will walk down to the side stage steps, cross the stage, pick up their diploma and exit through the side stage doors. Guests will enter the theatre, stay on the walkway, take pictures/video record their grad crossing the stage and then leave the theatre through the side door to meet their grad in the hallway.
- Grad and guests then make their way toward the main doors of the school. Artona will take a professional picture of the grad with their guests. The grad then drops their stole in the box beside the photo area and leaves the school through the main doors with their guests. **YOU'VE GRADUATED**
- Please return to your vehicles as soon as you can and make your way off school property using one of the exits on 160<sup>th</sup> street as **vehicles will not be able to drive past the front of the school**. We thank you for your cooperation with this as the next group of grads and families will be arriving for their ceremony and will need to park in the lot parallel to 160th street as well.

We thank you for continuing to keep the health and safety of all of us at the center while we join in celebrating your graduation from high school. See you on Thursday, June 25<sup>th</sup>.

Sincerely,

Fraser Heights Commencement Committee
