

Optional Student Accident Insurance

Did you know our School District does not provide accident insurance coverage for student injuries that occur on school property or during school activities including extracurricular sports. If a student is injured, as parents and guardians you are responsible for any costs not covered by the MSP Health Plan or your employers benefit plan.

Its important to know that most accident-related expenses are not fully covered under the MSP and some expenses like ambulance fees, casts, crutches, physiotherapy, and emergency dental care are usually not covered at all.

Your DPAC and the School District provides the opportunity to voluntarily purchase private accident insurance through the Insure my Kids Accident Insurance program underwritten by Old Republic Insurance Company of Canada.

Plan features:

- Provides coverage **365 days a year**, 24 hours a day, in or out of school.

- Critical Illness – expenses related to a new diagnosis of specific Critical Illnesses such as Cancer, Cardiomyopathy, Necrotizing Fasciitis just to name a few. Full plan details on website
