

Jessie Lee Family Newsletter ~ December 18th, 2020

Dear Jessie Lee Families,

Thank you for a successful, healthy fall term at Jessie Lee! Together, we have weathered an unprecedented time and we are heading into the holidays without any COVID exposures in our school building. Thank you for respecting our COVID health and safety protocols. Jessie Lee is a wonderful community to be part of!

Custodians will be onsite cleaning from top to bottom over the winter break.

Today, our students are bringing home all their school supplies so that even the inside of their desks can be cleaned over the break. Our custodial team will be working hard to clean our school building, including the furniture, floors, and everything in between. When we come back in January, we will need our sunglasses as the building will be sparkling!

Remember, You Can Donate your Refundables Credit to Jessie Lee at Any Return-It Express Depot!

Jessie Lee Families can now drop off their refundables and donate the money to the school.

It's really easy! Take your containers to any EXPRESS location and simply provide the school phone number, 604-531-8833, at the kiosk and the refund will go directly to supporting Jessie Lee and your child's learning experience.

APPARENTLY YOU DON'T EVEN NEED TO PRE-SORT YOUR EMPTIES! *IT IS THAT EASY:-D*

Find your closest EXPRESS location: <https://www.return-it.ca/express/>

Thank you to Return It and you for your support!

Continue to Do Your Daily Health Check

As a community, we all need to play our part in being socially responsible so we can continue to keep schools open.

During the holiday break, the school district has a Health Communications team working to provide notice of exposures.

If you are uncertain, please turn to Fraser Health for guidance and dial 811.

Daily Health Check			
1. Key Symptoms of Illness*	Do you have any of the following new key symptoms?	CIRCLE ONE	
	Fever	YES	NO
	Chills	YES	NO
	Cough or worsening of chronic cough	YES	NO
	Shortness of breath	YES	NO

1 - Our school organization has changed from...

Within the classes, even if the grade level remained the same, the student numbers have changed. Student placement was done with care with a focus on social emotional and academic needs. Teachers worked diligently to create groupings that would be positive and supportive as our students continue their school year.

Change is not easy, especially when we are facing a global pandemic together. Your response to these changes at home will be a very important factor in your child's ability to feel positive about the change. In January, we will strive (as we always do) to make sure all of our students feel connected to their classmates, their teachers, and all the school staff.

Wishing you peace and happiness during the two week winter break...

We hope all of you have a small family bubble to spend some time with over the course of this two week winter break. We are looking forward to welcoming all of the students back to school, whether it be face to face or blended, on January 4th, 2021. Take care of each other.

All the best, Claire & Brandyn
