SCHOLARSHIP APPLICATION FORM

4. The applicants for the **innovative approach towards being environment friendly** category must fulfill the following requirements:
- Provide a letter of intent, clearly identifying their own ideas about sustainability.
 - Their participation / involvement in local green initiatives.

SELECTION CRITERIA

Recipients for the Awards will be determined by:

- Academic Achievement
- Needs basis as demonstrated by details in the application form
- Involvement in extra-curricular activities (especially involvement in either activities related to the engineering profession, or activities within the Indo-Canadian community)

A person can be awarded only one scholarship in a period of three consecutive years.

The SPEATBC Executive Committee has the sole right to:

- determine the number of scholarships to be awarded each year,
- determine the amount of each scholarship, and
- select the winning recipients of the scholarship awards.

The SPEATBC Executive Committee will make its best efforts to award these four scholarships of \$700 each at the SPEATBC Annual Dinner.
