

September 13, 2018

Dear Parents/Guardians,

As you may be aware, there was a large police presence at L.A. Matheson Secondary today. This was the result of an anonymous bomb threat at approximately 2 p.m.

The RCMP assessed the situation and staff and students evacuated the school. Emergency protocols were followed and I am pleased to say students responded quickly and school staff managed the evacuation effectively and efficiently. You should be proud of your sons and daughters.

Once the RCMP determined there were no safety concerns, students were permitted to re-enter the building and gather their belongings before being dismissed for the day. Dismissal was delayed for approximately 60 minutes.

Thank you for your patience!

Feel free to contact me if you have any questions or concerns.

Sincerely,

Peter Johnston
Principal, L.A. Matheson Secondary School
