
AROUND LARONDE – April 1, 2019

Our commitment at École Laronde is to offer a fulfilling French experience while developing kind, respectful and responsible learners who are creative builders of their future.

À l'École Laronde, nous nous engageons à offrir une riche expérience du français et à former des élèves gentils, respectueux et responsables qui sont les créateurs de leur avenir.

Welcome back to all of our students, parents and staff! We hope that you had a good, fun and restful Spring Break!

With only three months left in this school year we are looking forward to various sports including badminton, ultimate and track & field. We are working on teaching all of our students about the importance of being "at rest" meaning to be in a state that is calm and ready to learn. We will be working on doing different types of breathing (5-finger, deep breathing, visualization...) to help students get to a place of "rest". You can ask your child(ren) about these strategies and practice them at home too. We will also be eagerly awaiting grade 7 camp, the district track meet and sports day!

We encourage all parents to check their child's FreshGrade for updates and to stay in contact with teachers with any questions or concerns. We are happy to be working alongside you and your child in his/her learning journey.

SCIENCE FAIR

Congratulations to all of our students who participated in our school science fair. We also want to congratulate the following grade seven students who attended the district science fair: Aila, Anna-Sophie, Kayla, Liam, Lily and Olivia. We are very proud of the research and experiments they conducted during the science fair.

SCHOOL JERSEYS

We are looking for all of the Laronde jerseys. We are missing many jerseys. These have been bought with PAC funds. We need all of them back for badminton, ultimate and track & field. We appreciate everyone looking around their houses for the school jerseys. If you have one or find one please bring it the front office. We will take note of students who are borrowing the jerseys for badminton and ultimate (our current sports).

YEARBOOK INSIDE COVER ART – DUE FRIDAY, APRIL 5, 2019

It is that time of the year again Laronde when we are looking for students to send us a submission for art for our yearbook. This year the art will be featured on the inside cover of the yearbook. THE ART CAN BE ABSTRACT. At the school we have been talking about keeping our colours – that means doing the things that make you happy and make you who you are. It means that others celebrate who you are and the interests and talents you have to offer.

Our theme will be **Keeping Your Colours**

You can watch the following video that helps illustrate how we can all keep our colours.
