

Tomorrow, June 5, our grade 7's will be hosting a Young Entrepreneurs fair! There will be no food sold, but there will be a variety of other goodies, all going to a charity! We are encouraging students to bring about \$5 - \$10 to school if they wish to purchase products made by our grade seven students. We appreciate your involvement; it is a great opportunity for our grade 7 students to manage a project and learn financial literacy, as well as for all students to come together as a school and to contribute funds for a good cause, in a fun way!

We also have a few grade 6 and 7 students who have asked to do fundraising for various causes. They will be selling baked goods on June 6 before and after school and on June 7 after school. They too appreciate everyone's support!
