School Fees 2019-2020

Each school year, parents support their child(ren)'s formal learning experiences in a wide variety of ways. We so appreciate all that you do to ensure a successful year!

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact the Principal should you require any financial assistance.

As we plan for the 2019/2020 school year, we anticipate the following costs:

Student Planner: We encourage all students in Grades 1-7 to purchase a School Planner at a cost of \$5. Included in the planner is our school code of conduct, school calendar and school district information. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills. However, using our school planner is optional as a parent may purchase his/her own version.

Field Studies and Field Trips: Classes often enjoy educational visits to community facilities which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

Musical Instruments: Grade 4 students may learn to play the recorder. Students will have the option of purchasing one through our music teacher for approximately \$10 or receiving one on loan from the school. Also, our Grade 7 students will have band classes and need to either purchase or rent an instrument. Costs vary depending on the instrument.

School Supplies : Kindergarten teachers bulk order supplies for all Kindergarten students. Parents will be asked to make a contribution which will not exceed \$45 – exact cost to be determined by the start of school. On the other hand if a parent prefers to purchase his/her child's supplies, a list will be available in June.

For students in grades 1 – 7 we will make school supply lists available before the end of June, the cost will not exceed \$65 for each grade. Parents can choose to purchase their child's supplies or order using the school supply service offered by School Start, kits will be delivered to your home.

Thank you for your continued support.
