To the Parents/Guardians of Martha Currie,

You may have noticed that we had some fire trucks at the school today. I just wanted to ensure our community that everybody and everything is safe. A young student had some good intentions but ended up pulling the fire alarm unexpectedly. This might be a good opportunity for parents to speak to your children about emergency drills and the importance of not pulling alarms without reason.

Thank you to the parents who came by to check that everything was fine.

Sincerely,
Mr. B. Samra
(Principal)
