Dear Parents,

Martha Currie Elementary is excited to start a Breakfast Club this year! It has been initiated to support students who would benefit from having a nutritious breakfast at school before they start their classes. It will be organized and supervised by the Educational Assistants . It is open to any students who find it difficult to have breakfast at home before leaving for school. This could be due to a variety of reasons but mainly for families who are currently having some financial challenges.

Students are invited to arrive to the Breakfast Club at 8:15 am.

They can enter the school through the main door and head directly down towards the cafeteria. Tables will be set outside of the cafeteria for students to use. Students will be provided with a nutritious breakfast consisting of items such as cereal and milk, toast, and on some days - Eggo waffles!

If you would like your son or daughter to attend the Breakfast Club, we ask that you please sign the permission form below and return it to the school office. Please be sure to include the information requested about whether your son or daughter has any food allergies that we need to be aware of. Please note: This is in addition to any allergy information you have already provided to the school office about your son/daughter.

If you would like to donate or contribute to the Breakfast Club, the school would be appreciative of your gift.

Your help and cooperation is much appreciated. Thank you.

Mr. B. Samra,
Principal
