Message From the Admin:

We would like to thank our students and parents for their patience as we have worked with the District to create our classrooms. We are happy to let you know that students are now in their set classes for the year! Please know that our staff has worked VERY hard and put in hours of work to try to put together a class list that meets the needs of ALL of our students. In every year, most students will be happy while some will find the new setting to be challenging. We ask that our parents help their children talk through the difficulties and let them know that this will be a good opportunity to learn from a new teacher and make some new friends. The initial disappointment that some may feel will be an opportunity for them to learn how to overcome challenges. However, as we said, most students will be excited about the new beginning.

- Your classroom teacher will inform the students about where they will be doing pickup and dropoff.
- We look forward to a great year for all Martha Currie students!
