Message from the Admin

We are off and running in our classrooms! Thank you again for your patience as our staff got to know our students and prepared for the complex puzzle that is classroom placement. Most students have settled in very nicely into their new learning environment. If your child is still having some anxiety about the new challenge, please continue to encourage him/her to find ways to work with their feelings and ensure them that, with time, the new classroom will feel like home. In the meantime, please do not hesitate to have dialogue with your teacher if there are any issues.

For those who are new to our school, you will find very quickly that we are a wonderfully busy place with many rich learning opportunities. This week, the soccer, cross-country, and Lunch Monitor teams have begun. Soon, there will be a meeting for students interested in our Spirit Team.

Next week will be Meet the Teacher Night and Fun Fair on Thursday. On Friday, we encourage everyone to wear red and/or white in honour of the Terry Fox Run.

As we move towards paperless newsletters, please encourage any families who have not yet signed up to go ahead and do that on the school's website. We will be sending weekly updates on Thursdays.

Mr. B. Samra and Ms. R. Ladd
(Principal) (Vice-Principal)

Please call the school if your child will be absent or late.

604-576-8551
