May 20, 2020

Dear Martha Currie Families,

The Surrey School District is continuing to work on a plan for student's to return to in-school instruction beginning June 1st. We will share further information as soon as we have more to share with you. We appreciate your patience as a plan is created and the details of health and logistics are carefully worked through.

At this time we would like to provide further information about student school supply pick up. Even though students are returning in June, we need to clear classrooms and prepare the spaces for students. Minimal supplies will be needed in June. This week teachers are working hard to pack up all student belongings so they are ready to be returned to you on Tuesday, May 26th and Wednesday, May 27th.

Here are the details for pick-up:

- **One adult/family** can come to pick up the supplies
- You can come **anytime** during the hour slot that you sign up for
- Student supplies will be in the gym
- Please enter through the front door of the school and follow all markers and arrows
- The gym will flow in one-direction only, please follow the arrows
- Please stay socially distanced at all times and do not gather to catch up with others on the school grounds
- There will be staff members to help you collect the supplies

When you come in to pick up supplies, we also ask that you **bring back** any Library books, LST books, or Classroom books that you may have borrowed prior to Spring Break and have at your house. There will be boxes for these to be dropped off into when you enter the school.

Please use this link to sign up for a time slot on May 26th or May 27th:

<https://www.signupgenius.com/go/9040A4AA4AD2FAAF49-school>

We are very hopeful that we can have all student supplies picked up over these two days, so that we can prepare the school for the arrival of students. We appreciate you making every effort you are able to in order to make a pick-up time work into your schedule. If these days and times do not work for you, please contact Bobby or Rachel. When we know the plan for June, we will address the supplies needed by students, but they will be very minimal.

Thank you for your support,

Bobby Samra and Rachel Ladd
(Principal) (Vice-Principal)
